ITEM 1: **460 MONTEREY AVENUE**

The Committee considered a request to demolish a pre-1941 single family residence. Based on the limited information provided, the Committee determined that the structure, although simple in design, has historic character and is sympathetic to the older houses in the neighborhood. In addition, the building did not appear to be structurally unsound. The Committee questioned if character defining features could be added to the existing residence to upgrade the front elevation.

Based on the applicant's request, the matter was continued to the next regularly scheduled meeting to allow the applicant time to further research this matter.

ITEM 2: **308 BEAN AVENUE**

A representative for this item was not present. Due to questions of the Committee, the matter was continued to the next regular meeting.

ITEM 3: **OTHER BUSINESS**

- a. 74 Ellenwood Avenue – Matter was continued to a special since meeting since Talesfore and Pacheco lived within 500 feet of the subject parcel and had to recuse themselves from this item, and therefore the meeting would no longer have a quorum.
- b. Workshop review – Item not discussed.

c. Application Process – Item not discussed.
